# "WHAT I THINK OF REGISTER TAPE ADVERTISING"

**Number of Coupons Redeemed**

50 **Per Day**      18200 **Per Year**

**Comments:** We have been participating in the register tape program for 4 months now and have had an excellent return on our investment. I will definitely renew our advertising and would recommend that other businesses try this type of advertising. This type of advertising started out a little slower the first couple of months. Now, 4 months later, we are seeing about 150 coupons a day. Do it if you get the chance.
